

## Engineering Ethics [B]

### Presentation Instructions

**Deadline: 22 January 2025 Until 11 PM**

#### Instructions:

1. The title page of your presentation should contain topic, name, department, ID, subject and section.
2. PPT file should not be more than of 12 slides. Duration should not exceed 10 minutes.
3. Record the Power Point presentation with face video using Microsoft power point. After recording convert it to mp4 file video. If it exceeds 200 MB, then convert it using suitable file size converter software. To record using power point please follow the below tutorial: <https://www.youtube.com/watch?v=D8JV3w4TOVw>

Alternatively, you can use OBS software to record your presentation.

4. After recording your presentation, please see the video carefully. Check whether the voice sound is clear or not.
5. Rename the video file name with your student ID.
6. Finally, upload this video in your google drive and email **the link** along with the **ppt file** at **ethics.a.aiub@gmail.com**. Before uploading the link, please check carefully whether it is working or not. Also make sure that the permission is provided.
7. Subject of your email must be **“Final Presentation by 11-xxxxx-y”**

Tutorial of uploading the file in google drive:
